Chairperson's Report (Daniella):

While meetings are considering reopening to in person meetings it is important that we as a community observe the 5th tradition: Each group has but one primary purpose - to carry its message to the alcoholic who still suffers. Some groups may choose to remain virtual, while others take the opportunities to meet in-person. It is important for groups looking to move back to face to face meetings to have open communication with their respective hosting facilities and adhere to any guidelines they are given. As a fellowship communication is important while things are changing to keep our meeting schedule up to date and available for the alcoholic looking for relief. Overall I'm feeling very optimistic for the coming months in our fellowship and our community.

Central Office Administrator Report

I am back at the office for the limited hours that we decided on last month. I have been getting a few emails from various meetings with Secretaries names and contact info. I had a request from someone for a packet of printed schedules for AA members who do not have access to the internet.

The office complex we rent our office space from has been sold. The new owners have plans for this space and it would appear that we will need to move the office location in the near future. I will be seeking to put together some sort of ad hoc committee to research this when we are notified of any changes.

ICYPAA (International Conference of Young People of Alcoholics Anonymous) is meeting in New Orleans August 26th – August 29th 2021 Registration is \$30.00. More Information is available at icypaa.org.

I received the General Service report regarding the 71st General Service conference. I am happy to email the results to individual members who are interested, but I have been asked not to publish them because there are anonymity issues with the report but there were some interesting results.

Committee Reports:

12 Step: A number was added to the women's 12 step phone list who speaks spanish. The list has been updated and sent to the Central Office Administrator.

Website: No report at this time.

IGR's at Large: Allison has recruited a new IGR to the meeting. Jane, Brandon, Brianne, Susan, ALL reported that they have gone or intend on going to the meetings they have volunteered to cover and encourage AA members to become IGR reps.

Liaison Reports:

PI/CPC: Steph- Bonnie C has been recruited as an additional member of the sub committee. We still need one more person to fulfil the committee needs.

IGR/GSR Liaison: When meetings are considering to re-open please contact the landlords and it's important to observe the 4th tradition.

H&I : No report at this time.

MBARR: Our committee is still meeting regularly on the 2nd Saturday of the Month. The next MBARR event will be held in the fall of 2022.

Old Business:

Founders Day update: The committee is still meeting regularly and working hard to make this virtual event successful. We still need 1 or 2 people to help host trivia game rooms for the event. June 12, 2021 6-9pm Speaker and games.

New Business and Housekeeping:

As a Steering Committee last week we discussed the possibility of moving the steering committee back to in person. As a group it was unanimous that the zoom format works well for the purposes of a business meeting and offers convenience, therefore for now it will remain on zoom.

It has been determined that the IGR meeting will remain on zoom until voted otherwise.

Our Central Office is operating with limited business hours.

Group Info (Events, ideas, reopening plans, etc.):

July, August, October and November still need meetings to host the Birthday Meetings. The possibility of holding the Birthday Meeting at a different venue was discussed since Monterey High is not available to rent at this time for in person events. Ideas were brought up on what could be possible as a temporary solution, but nothing was voted on or determined at this time.
